WHO VISITS FIGUREQUICK

People in the middle of a buying decision

- **Online sellers** figuring out Shopify, Etsy, Amazon, eBay, Stripe and PayPal fees before they price a product.
- **Freelancers & small business owners** pricing work, planning taxes, and comparing business banking.
- **Homeowners** budgeting roofing, concrete, and flooring projects.
- **Investors & savers** running retirement, investing, and loan numbers before they commit.

Every visitor arrives with intent — they are working out what something really costs, right now.

WHAT BRANDS GET

Featured tool cards — your product recommended on the calculator pages your audience actually uses.

Top-3 recommendations — a named spot in the top-three tools shown for each category.

Sidebar placements — your brand beside the detailed breakdown on every calculator result.
